

PROJECT SHOWCASE

PROJECT
Sodecia Office
/Showroom

LOCATION
London ON

WALL DETAILS
620 square feet

Sodecia was seeking a sustainable design element for their new showroom space in London, Ontario. Endri Poletti Architect Inc. worked with Nedlaw to design this incredible, two-storey living wall biofilter.

This 640 square foot living wall biofilter provides cleansed air for the office building and provides a stunning focal point in this modern space.
